Need help deciding what photograph to paint? We suggest:

- 1) A photo that has personal meaning to you and a great story behind it!
- 2) A photo that's not too detailed -we want to make sure you can finish the painting in 4 hours. Below are some excellent examples.
- 3) If you would like to try a portrait, stick to a single subject (one face). More than one face on an 8" by 10" canvas might be too crowded.
- 4) Each photo submission will be reviewed by the staff and is subject to approval.

These photos would make EXCELLENT paintings!

These examples are too complex for our time limit and/or canvas size.
